Public Records Request

The City of Hermosa Beach encourages public participation in the governing process and provides reasonable accessibility to all public records except those documents which are exempt from disclosure by express provisions of law or considered confidential or privileged under the law. The City is under no obligation to respond to requests which are not focused or specific. The City may withhold documents which are exempt from disclosure under state or federal law, including the attorney—client privilege or any other applicable privilege. The City, in accordance with Government Code Section 6253(b), has ten (10) days to respond to any request for public documents by indicating whether or not the documents exist and will be made available. Actual production of the documents may take somewhat longer depending upon their ease of availability and staff workload. To assist us in providing a timely response to your request, please fill out the form below and indicate the specific record/document you wish to review.

To Whom It May Concern:

Pursuant to the California Public Records Act 6250 et seq., we are requesting an opportunity to inspect or obtain copies or public records in your possession and in relation to THRIVE Hermosa "THRIVE".

- Copies of unreacted emails sent (councilmember or commissioner who provided the document response) related to the public records request made by Ryan McDonald regarding THRIVE.

The California Public Records Act requires a response within ten business days. If access to records I am requesting will take longer, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering this request,

Jed Sanford

An important Study Session is coming up next Thursday, October 4, at 7PM. I haven't seen the Agenda yet but it will be a look at all the City facilities and the beginning of a planning process. I had a meeting with Sergio yesterday about a THRIVE project Claudia and I are working on and I am excited about the way Sergio thinks. Stay tuned. The agenda for that is coming out next week.

You, Stacey Armato and 3 others

Meg Elizabeth Rick Learned The Agenda is now posted! And in another exciting update, our M-FAD Project is a GO! We have approval to work with the Parks & Recreation Commission Subcommittee (Fellow Thrivers **Robert Rosenfeld** and **Lauren Pizer Mains**) as they fulfill their mission to evaluate our city facilities that generate revenue streams. Our Thrive Working group is David Grethen John Schattinger **Rick Learned** and me (Marie Rice). Lets' get after it!

MFAD Working Group Update:

At the P & R Commission meeting on March 7th, the Subcommittee on Leasing of Municipal facilities gave an update to the full Commission on their progress and recommendations to date.

Commissioners Robert Rosenfeld and Lauren Pizer Mains are serving on this Municipal Lease Policy Subcommittee with a defined purpose to:

- o Review current practices of municipal lease agreements.
- o Create a comprehensive Municipal Lease Policy for Commission and City Council adoption.

The Subcommittee has spent several months gathering data and information related to municipal facilities (currently used for leasing purposes or not) as well as current leases between the city and various organizations as tasked by City Council.

Robert and Lauren (fellow Thrivers and MFAD working group members) have done excellent work to date! See attached file. Their report was well received by the rest of the Commissioners, who gave feedback that included the Subcommittee continue to finalize their report, and create a spreadsheet which would identify key information for each facility, as well as a map of each (as a reminder of what exists in place.)

Fellow MFAD Working Group members (Dave Grethen and I) watched the meeting, and will continue to follow this to see if there is a way to supplement this process. We will keep you updated.

Thank you to Robert and Lauren for their commitment and hard work on this project

Adam Malovani Nice work! The Lawn Bowling club rents that facility for \$400 for 20 people and \$15 each additional person. That's over \$1,225 for a party of 75 people. Do they keep 100% of that? Maybe that should be a revenue share with the City to help cover the maintenance? Do we know how much revenue they generate from it?

David Grethen Absolutely agree with the thoughtful assessment in this post, in terms of Subcommittee performance as well as relationship to THRIVE/MFAD. Subcommittee really stepping up.
